

### EMERGENCY EVACUATION

When the fire alarm sounds, all students and guests must vacate the building until authorization is given to return. Fire drills are conducted at various times throughout the year in accordance with state regulations. Occupants are to cooperate with persons directing the drill and are to remain outside until the drill is completed.

### WARNING:

North Carolina Criminal Law (General Statute 14-2686) dictates a maximum fine of \$500 and/or imprisonment for no more than six months for persons found willfully misusing or abusing fire fighting equipment or giving false fire alarms.

### DRUGS & ALCOHOL

Under no conditions will illegal drugs, alcoholic beverages or narcotics be permitted on the school premises, neither shall anyone under the influence of illegal drugs, alcohol, or narcotics be allowed on school property. No student or employee shall illegally own, possess, use, transport, distribute, manufacture, or sell any controlled substance while on school premises or during the time when the student or employee is participating in any university-sponsored activities.
